

## EMPOWERMENT INTERNATIONAL

*Elvis*

17 years old 9th grade

I have over 2 years of photography thanks to Empowerment International. I like to focus on people of limited resources and children with drug problems. I like to take pictures very much because I discover new things that I did not know before. I am a photographer with a very special vision. I am young but I am a good photographer and I thank Empowerment International for the support and love that they have given me.
