

EMPOWERMENT INTERNATIONAL

MARIA

12 years old 6th grade

When I was taking pictures I felt that my dream was becoming a reality, because I wanted to learn how to use a camera very much. My mom, my dad and all of my 8 siblings felt so proud of me. I like to take pictures in different positions and angles; it is incredible how many things I can do with my camera. My little brother Francisco loves the camera. (He is in the tutoring program at EI learning how to read.) I am very thankful to have been given the opportunity for this experience.
